What our customers say

5-star rated by happy customers, with an average savings: £3,000–£6,000 per car

"I reached out to Sunny for help, and he handled everything related to the warranty claim. The garage had quoted me £1200 to supply and fit a new alternator, but Sunny wasn't having any of that! He contacted the garage directly to question the price and managed to negotiate a much better deal."

Conor Lynch

"I went back to Find & Finance earlier this month, as my Mum was in need of a new car (with 5 doors this time), and not having the know-how of what makes a car a "good car", I knew we needed help. Find & Finance stepped in again and found my Mum an absolutely brilliant new car. Thanks all, and thanks Sunny for the delivery!"

Catherine Cosgrove

"I have ended up with an amazing car and had absolutely no hassle to get it. They sourced the vehicle, arranged the finance, sold mine for a better price than I could get, delivered my new car and took my old one away. I would happily recommend them to anyone."
